## Terms, Etc.

These prices cancel all previous quotations and are liable to change as the season advances. All goods are sold net cash f. o. b. Hoboken or New York City, subject to stock being unsold upon arrival of your order, and travel exclusively on purchaser's risk. I allow the following Cash Discount: 3 per cent in 10 days or 5 per cent for cash with order on all prices of this list only. Special quotations are subject to 2 per cent in 10 days only, if not otherwise agreed. Advance orders are accepted only subject to receiving the full quantities from my growers and collectors. All seed orders on prices of this catalogue, that can be sent by mail, I deliver post free in the U. S. and Canada. However, I do not assume risks of loss by mail, unless registered. If registered, 10c. fee will be charged. To open an account, Trade References are necessary, and same is due net 3 months after date of invoice, if not otherwise agreed. 6 per cent interest will be added to overdue accounts.

While I exercise the greatest care to send out only reliable seeds, bulbs and plants, I do not warrant in any way, expressed or implied, the description, quality, productiveness or any other matter of any seeds, bulbs or plants I send out, and I will not be in any way responsible for the crop. Every order received will be executed on these conditions only. If the purchaser does not accept the goods on above terms, they must be returned at once.

A large part of the seeds herein listed are imported from all parts of the world and it is impossible for me to make germination tests before sending them out. I therefore decline all responsibility concerning germination, character and type, etc. However, I examine all seeds upon arrival and do not send out any such seeds which appear to me unsatisfactory.

My customers are requested to enforce the very same right and examine their seeds upon receiving same, and should they prove doubtful to them, they must be returned at once.

O. V. Zangen.

## IMPORTANT NOTICE TO THE GROWER.

All Seeds I send out are of the very best quality obtainable and **Entirely Clean**, so the Grower can rest assured of a high percentage of germination. I grow but a few varieties myself as: Phlox Drummondii, Salvia Splendens, Sweet Alyssum, etc. All other varieties are partly contracted for, or bought of the most experienced and reliable Seed Growers all over the world, for which my life-long experience gives you full guaranty.

All my Trade Packets are put up on a regular liberal basis, according to the Ounce or 1,000 Seeds Prices.
